safe and that motorists must pay attention for and stop for crossing pedestrians at both marked and unmarked crosswalks, unless signals communicate otherwise.

Department of Public Safety offers these safety tips for pedestrians and motorists around schools and other high-traffic areas:

School children:

- When getting off a bus, look to be sure no cars are passing on the shoulder (side of the road).
- Before crossing the street, take five “giant steps” out from the front of the bus, or until the driver’s face can be seen.
- Wait for the driver to signal that it’s safe to cross.
- Look left-right-left when coming to the edge of the bus to make sure traffic is stopped. Keep watching traffic when crossing.

Pedestrians:

- Cross only at intersections or crosswalks.
- Obey all traffic signs and signals.
- Do not enter a crosswalk if a vehicle is too close or moving too fast to stop safely.
- Remember, the law requires pedestrians take responsibility for their own safety.

Motorists:

- Motorists must stop at least 20 feet from a school bus that is displaying red flashing lights or stop arm when approaching from the rear and from the opposite direction on undivided roads.
- Red flashing lights on buses indicates students are either entering or exiting the bus.
- Motorists are not required to stop for a bus if the bus is on the opposite side of a separated roadway, but they should remain alert for children.
- Watch for pedestrian traffic and prepare to stop if a pedestrian is approaching the intersection.
- Stop for pedestrians in crosswalks.

Remember, the law applies to both intersections with marked and unmarked crosswalks.

So please, slow down, pay attention and be alert!

ARIES - Mar 21/Apr 20

Aries, you are bursting with momentum, but your tongue may move faster than your brain this week. You don’t need to force a final decision or push an agenda right now. Speak thoughtfully.

TAURUS - Apr 21/May 21

Reshuffled schedules might test your patience, Taurus. Focus on finding a healthy balance and do your best to adjust.

GEMINI - May 22/Jun 21

A gap between your grand vision and your current reality might feel frustrating, Cancer. However, necessity is the mother of invention. Trust the small opportunities that crop up.

CANCER - Jun 22/Jul 22

Cancer, right now you are focused on rest and relaxation. It’s been a busy time for you and the batteries certainly can do with some recharging.

Your hands may be tied by technicalities, but you have creative free reign to improvise in a situation that pops up this week, Virgo. Stick with your intuition right now.

PISCES - Feb 19/Mar 20
